CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE SHARES

The Company's existing mandate to issue Shares was approved by its Shareholders at the annual general meeting held on 9 August 2024. Unless otherwise renewed, the existing mandate to issue Shares will lapse at the conclusion of the AGM. At the AGM, an ordinary resolution will be proposed to grant to the Directors a new general and unconditional mandate to allot, issue and otherwise deal with Shares of up to 20% of the issued share capital of the Company as at the date of the passing of the proposed relevant resolution.

In addition, a separate ordinary resolution will be proposed at the AGM to add to the Issue Mandate those Shares repurchased by the Company pursuant to the Repurchase Mandate (if so granted to the Directors at the AGM).

The Directors have no present intention to exercise the Issue Mandate or the Repurchase Mandate (if granted to the Directors at the AGM).

The Issue Mandate allows the Company to allot, issue and otherwise deal with Shares only during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the applicable laws of the Cayman Islands; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company (the "**Relevant Period**").

As at the Latest Practicable Date, the issued share capital of the Company comprised 600,000,000 Shares. Subject to the passing of the relevant resolution to approve the Issue Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Directors would be authorised to allot, issue and otherwise deal with a maximum of 120,000,000 new Shares under the Issue Mandate, representing 20% of the issued share capital of the Company as at the date of the AGM.

GENERAL MANDATE TO REPURCHASE SHARES

The Company's existing mandate to repurchase Shares was approved by its Shareholders at the annual general meeting held on 9 August 2024. Unless otherwise renewed, the existing mandate to repurchase Shares will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed to grant to the Directors a new general and unconditional mandate to repurchase Shares of up to 10% of the issued share capital of the Company as at the date of the passing of the proposed relevant resolution. The Repurchase Mandate allows the Company to make repurchases only during the Relevant Period.

As at the Latest Practicable Date, the issued share capital of the Company comprised 600,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Company would be allowed to repurchase a maximum of 60,000,000 Shares under the Repurchase Mandate, representing 10% of the issued share capital of the Company as at the date of the AGM.

An explanatory statement required to be sent to the Shareholders under the GEM Listing Rules is set out in Appendix I to this circular to provide the requisite information regarding the Repurchase Mandate to the Shareholders.

LETTER FROM THE BOARD

RE-ELECTION OF RETIRING DIRECTORS

In accordance with article 16.18 of the Articles of Association, Mr. Wong Chong Shing (“**Mr. C.S. Wong**”) and Mr. Lee Pak Chung (“**Mr. Lee**”) will retire from office as Directors by rotation and being eligible, have offered themselves for re-election as Directors at the AGM. In accordance with article 16.2 of the Articles of Association, Ms. Wong Ka Man (“**Ms. Wong**”) will retire from office as Director and being eligible, has offered herself for re-election as Director at the AGM.

In nominating the retiring Directors for re-election, the nomination committee (the “**Nomination Committee**”) of the Company has considered, amongst other things, the perspectives, skills and experience that each of them could bring to the Board and their respective contribution to the diversity of the Board.

Mr. Lee is a highly-valued and experienced independent non-executive Director. With his extensive management experience, Mr. Lee has provided independent judgement on issues of strategy, policy, performance, resources and standard of conduct of the Group. Mr. C.S. Wong, being one of the founders of the Group, has always offered distinctive guidance and insight to the Board with his in-depth knowledge and understanding of the environmental cleaning industry. Ms. Wong has extensive experience and knowledge in her respective professional and commercial field. Hence, the broad spectrum of knowledge and expertise that the aforesaid Directors brought to the Board renders each of them to be a valuable member and an active contributor of the Board.

The Nomination Committee has also reviewed and evaluated the independence of Mr. Lee based on the independence guidelines stated in Rule 5.09 of the GEM Listing Rules. Saved as disclosed in this circular, Mr. Lee did not hold any cross-directorships or have significant associations with other Directors through involvements in other companies that could give rise to conflicts of interests in relation to the role of an independent non-executive Director of the Company and which could likely influence his independent judgement. Thus, the Nomination Committee considers that Mr. Lee remains independent.

After evaluating the performance and contribution of the retiring Directors during the last financial year of the Company, the Nomination Committee are of the view that they have demonstrated their respective commitment to their roles and contributions to the Board, and that they would continue to make effective contributions to the Board.

Therefore, the Nomination Committee recommended the re-election of the retiring Directors to the Board. The Board has endorsed the nomination by the Nomination Committee and recommended them to stand for re-election at the AGM.

Details of the above retiring Directors who are subject to re-election at the AGM are set out in Appendix II to this circular in accordance with the relevant requirements of the GEM Listing Rules.

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted by a show of hands. Accordingly, the resolutions to be considered and, if thought fit, approved at the AGM will be voted by way of poll by the Shareholders.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By order of the Board
Man Shing Global Holdings Limited
Wong Chong Shing
Chairman and Executive Director

This appendix serves as an explanatory statement to provide the requisite information to the Shareholders for consideration of the Repurchase Mandate pursuant to Rule 13.08 of the GEM Listing Rules.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 600,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company will be allowed to repurchase a maximum of 60,000,000 Shares during the Relevant Period, representing 10% of the issued share capital of the Company (excluding treasury shares) as at the date of the AGM.

In the event that the Directors exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate, the Company may choose to cancel the repurchase Shares and/or hold them as treasury Shares having taken into account the then market conditions, capital needs of the Company, and other factors at the material times.

2. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not repurchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

3. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the Repurchase Mandate, the Directors believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of the Shares will benefit the Company and Shareholders as a whole.

4. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the previous twelve months prior to the Latest Practicable Date were as follows:

	Share Price

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws of the Cayman Islands.

The Company confirms that neither this Explanatory Statement nor the Repurchase Mandate has any unusual features.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, each of the following Shareholders had interests representing 5% or more of the issued share capital of the Company:
